

# Order Now — Pay Later!

Beat rising prices and supply chain volatility

Unpredictable memory and component price swings are making IT planning a moving target. Take control now—lock in the technology you need before the next market spike hits. Pre-ordering helps you avoid supply shortages, shield your budget from volatility, and secure the capacity your business will need tomorrow.

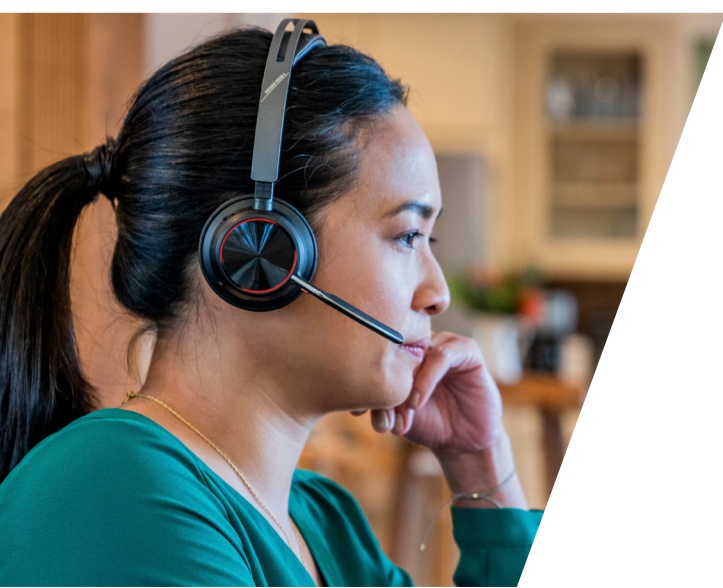

## Order Now | Pay Later | Stay Ahead

# 01

### Payment Deferral Program

Deploy technology immediately with zero upfront financial burden

- ✓ No payments for up to 90 days from contract start
- ✓ Followed by predictable, low monthly payments
- ✓ Accelerate deployment while preserving near-term liquidity

# 02

### Ramp Up Payment Program

Overcome short term cash flow constraints without slowing transformation

- ✓ Pay just 1% of the solution value per month for the first 6 months
- ✓ Predictable monthly payments thereafter, for the remaining 30 months
- ✓ Manage cash flow without delaying critical investments

# 03

### Extended Deployment Services\*

Lock in pricing, beat inflation, and align payments with actual deployment timelines

- ✓ Secure up to 12 months of Workplace assets on day one with financing terms of 36, 48, or 60 months
- ✓ Put assets in place now - configure, test, and deploy when ready
- ✓ Begin payment only once activated, up to 12 months from shipment

#### Enable the future of work

Enable employees to do impactful work with AI-powered tools that deliver measurable growth. We work with you as your trusted partner and help you simplify procurement, deployment, and end of term support

#### Accelerate innovation

Adopt the latest solutions from HP Next-Gen AI PCs optimized for Windows 11 Pro to AI-powered video, headsets, and hybrid-work peripherals. Streamline deployment & lifecycle with financing + IT asset disposition (ITAD) trade-in services

#### Optimize Workplace investments

Lower upfront costs, free up cash flow, and future-proof your technology strategy. Let us help you build an investment solution that supports your business goals and navigates economic uncertainties

## Small monthly add – Big employee benefit

Peripherals & Poly bundles are available across a broad range of configurations, starting at a low monthly payment
