

Block out. Break through.

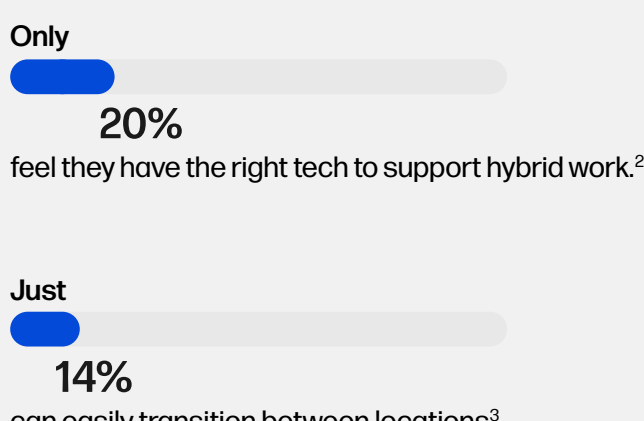

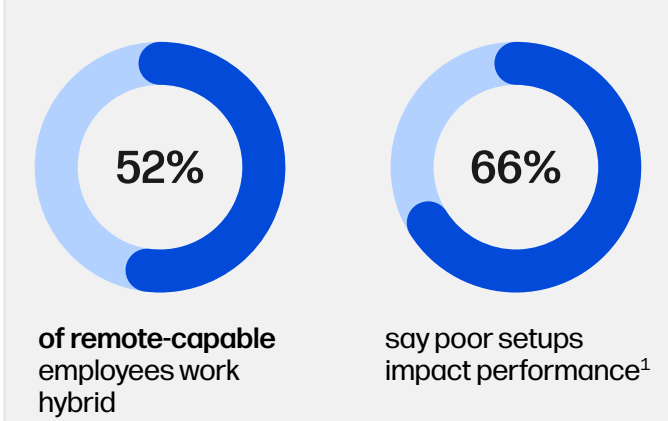

4 ways the right professional headset powers performance

HP Poly Focus 6 series delivers uninterrupted performance—wherever work happens

01 Designed to move with you.

Built for hybrid work—lightweight, foldable, and made to move seamlessly between spaces without disrupting your flow.

02 Create a focus zone—anywhere.

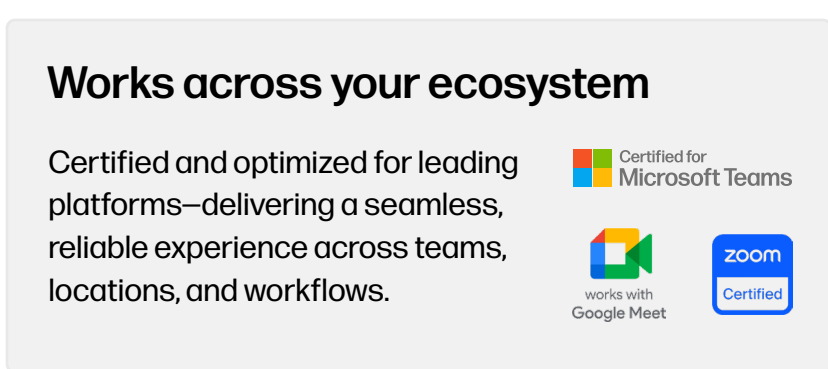

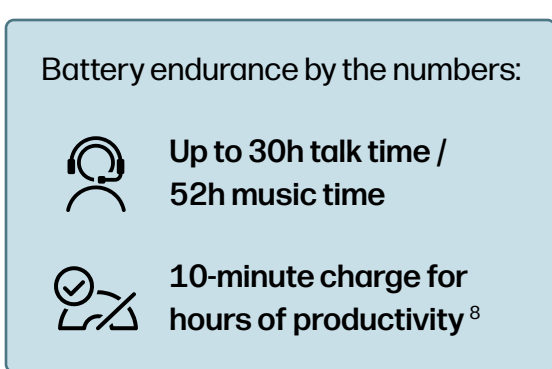

Block distractions and stay in the moment with clear audio and noise reduction that keeps conversations sharp and focused.

03 Fewer interruptions. More freedom.

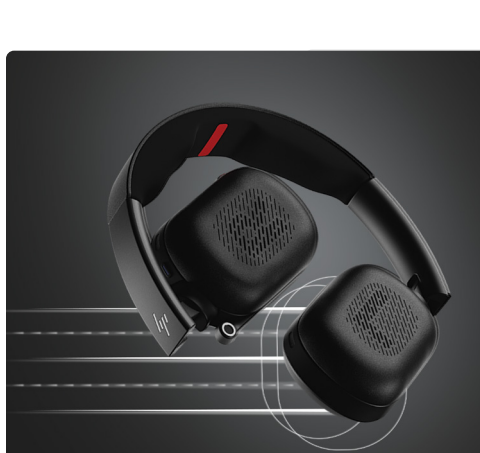

Stay productive with all-day performance, smart controls, and seamless connectivity that keeps work moving without friction.

04 Built to last—by design.

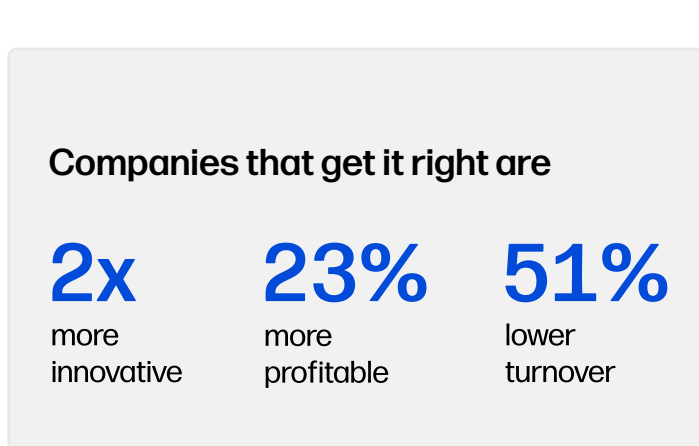

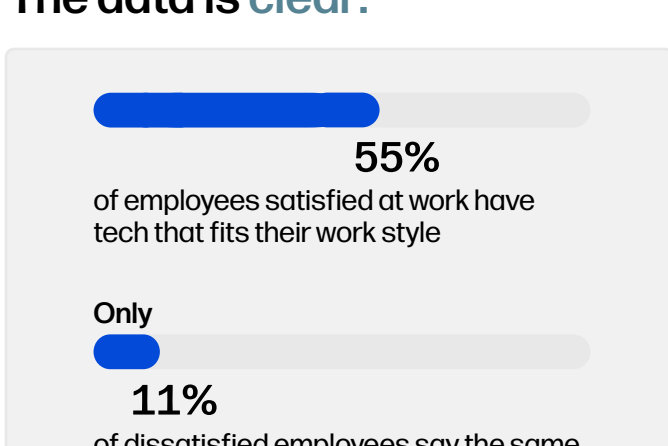

HP Poly Focus 6 series is TCO-10 Certified⁹, meeting rigorous environmental and social responsibility standards across its full lifecycle.

- Replaceable batteries and magnetic ear cushions
- One SKU for simplified fleet management
- Centralized control with HP Poly Lens
- TCO-10 Certified⁹

The data is clear:

The right headset is business-critical.

Better focus. Better performance. Better employee experience—across every call, every day.

Block out the noise. Break through.
